

# 2010 EANS YOUNG NEUROSURGEONS MEETING

Congress Innsbruck, February 20-24

## SCIENTIFIC PROGRAMME

### Sunday, February 21<sup>st</sup>

History lecture: International Neurosurgery

Vascular Challenge: "Intracranial stenting- flow diversion"

Vascular challenge 1: [Prof. Wanke](#): Silk stent

Vascular challenge 2: [Prof. Moret](#): New advances

Vascular 3: [Prof. Hernesniemi](#): Bypass surgery

Vascular 4: [Prof. Benes](#): Surgical treatment of intracranial AVMs

### Monday, February 22<sup>nd</sup>

History lecture: European Neurosurgery

Oncology Challenge: "Maximizing glioma resection"

Oncology Challenge 1: [Prof. Nimsky](#): Intraoperative MRI

Oncology Challenge 2: [Prof. Stummer](#): ALA

Oncology 3: [Prof. Ram](#): Advanced intra-operative imaging and neurophysiological monitoring in glioma resection

Oncology /Pediatrics 4: [Prof. Grotenhuis](#): "Intracranial endoscopy"

### Tuesday, February 23<sup>rd</sup>

History lecture: History of the UK National Society

Spine Challenge: "Spinal endoscopy"

Spine Challenge 1: [Prof. Ruetten](#): Spinal endoscopy

Spine Challenge 2: [Prof. Destandau](#): Spinal endoscopy

Spine 3: Minimally invasive spinal arthrodesis

Spine 4: Cervical arthroplasty

### Wednesday, February 24<sup>th</sup>

FIENS: Young neurosurgeons volunteering

Trauma 1: [Prof. Hutchinson](#) : Cambridge experience

Trauma 2: [Prof. Nordstrom](#): Lund experience

Functional/Pain: [Prof. Sindou](#): Trigeminal neuralgia

### EVENING SESSIONS: YOUNG NEUROSURGEONS SESSIONS:

- 1- Workshop: a slot is reserved for a topic related to the day's course
- 2- Young Neurosurgeons presentations (6-8 lectures/evening):
  - In smaller discussion groups, including:
  - Research works
  - Case presentation
  - Video presentation

Submitted papers and presentations will be reviewed and selected by the PGE Committee, under direction of Prof. A. Grotenhuis.

In the middle of the morning and evening session there will be a 30min. break for poster and exhibition visit.
