"scientia et amore vitae"

18-20 May 2018

**Prof. Rhoton Anatomy Lab
BAU Faculty of Medicine, Göztepe**

Dear Colleagues,

It gives me great pleasure to invite you to the
"4th Istanbul Skull Base Approaches."

The conference is being organized by the Bahçesehir
University of Medicine and will be held on **Aug 18 to 20, 2018**.

The workshops will provide hands-on experience to
registered participants in the field of microsurgical skull
base approaches.

We hope to have a good scientific program involving
deliberations on skull base techniques and technology in
present times, as well as demonstration of these techniques.

Looking forward to welcoming you all at Istanbul.

With best regards,

Prof. Dr. Evandro de Oliveria
