

## **George Samandouras, MD, FRCS**

**Consultant Neurosurgeon**

**The National Hospital for Neurology and Neurosurgery, Queen Square**

**University College London Hospitals NHS Trust**

**London, UK**

George Samandouras trained in Neurosurgery in Oxford receiving numerous teaching awards from the University of Oxford before becoming Consultant Neurosurgeon in November 2009 at the National Hospital for Neurology and Neurosurgery, the world's first institution specializing in brain pathologies.

He runs a neurooncology service with high volume awake craniotomies and resection of gliomas in eloquent parts of the brain. He is invited annually to present his work to the American Association of Neurological Surgeons (AANS) and other international societies in USA, Europe and Asia.

His bestselling book "The Neurosurgeon's Handbook", Oxford University Press, has been translated to Chinese in 2015 and became an instant bestseller on Amazon China.
